

A DISTINCTIVE LIFESTYLE

THE FIRST PHENOMENON
IN GARDEN CITY LIVING

M CITY is second to none especially when it comes to landscaping, comfort, convenience and quality. It has become one of the most stunning high-profile landmarks of Embassy Row, along the prime Jalan Ampang. Being only 4.8km from KL city centre, its superb location enables residents to enjoy a plethora of luxury delights and fully utilize the upcoming MRT convenience.

Aesthetically landscaped with tropical elements, M City flaunts its 'thematic hanging gardens' at various levels, echoing an ultimate sensation of garden city living today. The 4-tier Altitude Sky Club also spans across 500,000sf of exclusive recreational facilities. Just downstairs, residents have the freedom to indulge in the 3-storey Boutique Retail shops with Village Grocer as the anchor retail.
